CIE/C2I 2025
International Conference on Integrated Engineering
Timisoara, Romania, May 5-6, 2025

Conference website https://c2i.upt.ro/

CIE/C2I 2025 aims to bring together academic scientists, researchers, and PhD students to exchange and share their experiences and research results on all aspects of Manufacturing Engineering and Industrial Engineering.

Submission Papers Guidelines

All papers must be original and not simultaneously submitted to another journal or conference.
Full papers describing the exchange of the latest technical information, the dissemination of high-quality research results, the presentation of new developments in the field, and the debate and shaping of future directions and priorities are welcome.
All papers will be reviewed by at least 2 members of the Scientific Committee.
The final manuscript must be prepared based on reviewers' comments and according to the paper template.
